

## Business Directories

[AT & T AnyWho](#) Find people and businesses in the U.S. and Canada. It includes a reverse lookup feature and email lookups.

[Hoover's Online](#) Complete profiles of more than 12,000 U.S. public and private companies. Provides access to SEC filings, current and historic financials and selected news articles.

[EUROPAGES](#) Site lists 500,000+ (mostly European) companies. Offers the ability to search by company name, product, country or service. Includes some company catalogs, websites and European yellow pages.

[Thomas Register](#) Directory of 150,000+ American manufacturers of industrial products and services. Open a free membership on the site to search.
