### **PLEASANTON JOINS FORCES FOR FREE HEALTH FAIR**

*Multi Agency Effort Aimed at Improving Health for All*

PLEASANTON, Calif. — The city of Pleasanton, Pleasanton Unified School District and Axis Community Health will be hosting the 2017 Tri-Valley Health Fair on Saturday, April 29, 2017 from 9 a.m. – 1 p.m. at the Firehouse Arts Center, located at 4444 Railroad Ave.

The Health Fair will include resource tables, dental and vision screenings, physical examinations, cultural entertainment and other health and human service related resources. This multi-agency effort focuses on bringing an array of resources under one roof at one time to assist individuals and families who might not otherwise have the information they need or access to healthcare.

The Tri-Valley Health Initiative is brought to you in collaboration with the offices of County Supervisors Nate Miley and Scott Haggerty, Alameda County Health Care Services Agency Center for Healthy Schools and Communities, Alameda County Social Services Agency, Stanford Health Care - ValleyCare, John Muir Health, Palo Alto Medical Foundation, Kaiser Permanente, City of Dublin, Dublin Unified School District, City of Livermore, and the Livermore Valley Joint Unified School District.
