Three Arrested for Residential Burglary

On January 18, 2018, at about 10:05 a.m., a resident on Riesling Drive called the Pleasanton Police Department to report a suspicious vehicle with the engine running. The resident also reported he saw a female subject knock on the door to one residence and watch as two male subjects entered into the backyard of the next door neighbor. The resident also provided the Pleasanton Police Department with the suspects' description.

Pleasanton officers arrived on scene within minutes of the initial phone call. Officers were able to detain one male suspect running from the house as he entered a vehicle reported stolen from San Jose. The female who was seen knocking on the door earlier was located in the stolen vehicle. The other male suspect was later located hiding in a backyard on Concord Street. Vintage Hills School was placed on a lockdown for an hour while officers searched for the outstanding suspect. All three suspects are juveniles from San Jose.

This is another example where an alert Pleasanton resident recognized suspicious behavior and quickly called 9-1-1. Much of the police department's success can be attributed to the unique partnership with the Pleasanton community. The Pleasanton Police Department would like to take this opportunity to remind Pleasanton residents to report suspicious circumstances to the police.

Anyone with information about this crime is asked to call the Pleasanton Police Department at (925) 931-5100. Please reference case #18-02354.
